T3.18 EVO

The Evolution Continues

Order a T3.18 rolling head now and get 3 sets of thread rolls of your choice for free!

When placing your order, please enter the **promotion code: TR24**.
Promotion valid until October 31, 2024.

Discover our products at:
www.lmt-tools.com

Benefit from the innovative design and outstanding product features of the **EVOLine tangential rolling systems**. Replace your tangential rolling head type T18F with the new **T3.18 EVO** now and gain more process reliability and productivity.

Step 1:

The T3.18 EVO – Discover promotional products

Scan QR code and download product flyer.

Step 2:

Select application and thread size

- Select the application and thread size you require. If necessary, tell us the material number of the thread rolls you are currently using.
- If it is a new application, please provide us with complete workpiece data so that we can design the rolls for you.
You can also use our rolling systems enquiry form for this purpose:

Scan QR code and download enquiry form.

Step 3:

Redeem promotional code **TR24** when ordering and receive 3 sets of matching thread rolls of your choice for free!

The promotion includes the tangential rolling head T3.18 EVO (mat. no. 7417009) and thread rolls suitable for this system (see product flyer for dimensional ranges). If you have any questions about the promotion, please contact our rolling head team by e-mail: teamrollen@lmt-tools.com.

Promotion valid until October 31, 2024.
